This announcement is made by the Office of International Affairs regarding the application and selection processes for both Bachelor and Master degree students to participate in exchange programs with partner universities for Academic Year 2025, starting from July 2025. Reaffirming Thammasat University's goal to promote our students to acquire international, life-long and academic experiences through exchange programs, selected students will be entitled to study in overseas courses at a partner university not exceeding ONE academic year as an exchange, non-degree seeking student. Under a university budget allocation for exchange programs, managed by the Office of International Affairs, selected students are eligible for scholarships to fund their exchange study abroad.

The conditions and eligibility criteria:

1. Number of participating universities: 95 Universities and 1 Program

2. Qualifications:

-Bachelor Degree: Students must have completed at least one academic year or submit evidence showing that the applicant is awaiting academic results, either of which must be presented to the selection committee on the date of interview. 3.5 Exchange students are required to perform a credit transfer process as required by the university and responsible faculties.

3.6 After returning to Thammasat University upon completion of a program, students are required to complete the credit transfer in accordance with the student's faculty regulations before their graduation. The Registrar's office will record "Leave" on the transcript of a returned exchange student who does not complete the credit transfer process.

3.7 The length of exchange study will not exceed two (2) academic terms. Accordingly, permission to enroll as an exchange student for one semester or one full academic year will also be subject to the approval of the host university.

3.9 Selected students are not permitted to extend their length of exchange study.

3.10 Health and accident insurances are required prior to students' travel and must cover the entire exchange period.
