Target

Japanese Language Classes

N3/Level 3 or less in Japanese Language Proficiency Test. Beginners are welcome, however those who have no knowledge of Japanese characters must learn hiragana and katakana before joining the program

Class Hours : Mon - Fri, 3 hours/day, approx. 31 hrs. in total

Class Numbers : Approx. 10 students/class

*Placement Test will be held on the first day of the program in order to ensure that each participant is able to study in a class of the appropriate level.

Presentation : Japanese Final Presentation

*All students receive a final grade report after the program ends.

Hands-on Experience of Japanese Culture

Ikebana (Flower Arrangement), Yukata experience, Sado (Tea Ceremony) etc.

Lectures about Japan

Japanese Society, Business, History, Economic, Education etc.

Weekend Activities

Fieldtrip to Yokohama, Kamakura, Odawara etc.

Accommodation: Homestay, Share Houses, Hotels, Airbnb etc. (you have to find it by yourself.)

VOICES

- I would recommend it for people because you get to learn more than what's in the textbook and I have made some very good friends here.
- If you don't know about Japanese culture, it is a great opportunity to have the first interaction and learn something new.
- Perfect mixture of qualified language lessons and interesting culture program, which you should definitely combine with a homestay experience at a nice host family!
